There are 7 shapes in this square. Count them. Each shape is called a 'tan'. You can now create your own tangram by putting the pieces together in different ways to form different pictures.

Daar is 7 vorms in die vierkant. Tel hulle. Elke vorm word 'n 'tan' genoem. Jy kan jou eie 'tangram' vorm deur verskillende vorms op verskillende wyses bymekaar te sit en so verskillende prentjies te vorm.

Try to copy these designs or try to make your own. Probeer om die ontwerpe na te maak, of maak jou eie.

# How to teach your child the importance social distancing.

## What is social distancing?

It means we have to stay at home, away from crowds and only going outside if it is really necessary. If you do go out make sure you stay 1.5 meter away from anyone else.

# Success begins with education

Parents will be able to visit the website and watch daily videos from a teacher that will teach their children about various topics in the booklet. One can also download the PDF version of the book on the website.

ONLINE

Start learning anywhere - on your smartphone, tablet or desktop computer at home or follow the instructions on each printed page.
